SUMMARY

This anthology contains 20 commencement addresses delivered by prominent and successful Americans from very different fields of endeavor--all the addresses have in common an understanding of the audience's thoughts and feelings at the important moment of a college graduation. Each speech in the anthology is preceded by a brief biography of the speaker. Speeches in the anthology come from Arthur Ashe, Robert B. Ballou, Ben Barnes, Jimmy Carter, Ben Cohen, Martin Wright Edelman, Robert Fulghum, Carly Gutierrez, Daniel F. Hoyle, Billy Joel, Florence Griffith Joyner, Willie Marshall, Ralph Nader, Katherine B. Ortega, Colin Powell, Carl Sagan, James Salt, Dr. Seuss, Neil Simon, and Gloria Steinem. (NH)
